**WHAT IS *ART for the Wild*?**

***Art for the Wild*** is a fundraising art show and auction that benefits endangered animals. Showcasing local and international artists, this event will bring together art enthusiasts and wildlife conservationists for a common goal - to save animals.

Guests arrive to the event and have time to view all artwork. Throughout the evening each ticketed guest will be called to pick their favorite piece of art to take home. The donated art is included in their ticket price.

You are welcome to bring business cards to give to guests at the event who may be interested in your art. We also ask that artists provide an artist biography of 150 words or less.

***All art must be delivered or sent to Blank Park Zoo by Friday, February 15, 2019.***
