

IOWA'S **WILDEST** ADVENTURE

Field Trip Guide

Blank Park Zoo
Education Department
515-974-2550

Thank you for making the Blank Park Zoo a part of your educational experience. The following information will help you prepare for your field trip to the Zoo. They are necessary to make your visit more enjoyable and safe!

Preparation Checklist:

Before you arrive.

- Review your barcoded confirmation letter for the correct contact information and date.** To make changes, please follow the directions included in your confirmation email. Blank Park Zoo staff is also available by phone at 515-974-2550.
- Arrange for 1 teacher or adult chaperone for every 10 students.** Blank Park Zoo requires a chaperone to student ratio of 1:10. Chaperones must accompany their students at all times. No students are allowed in the gift shop without an adult. Classrooms with special needs may qualify for special pricing, please call 515-974-2550.
- Wristbands will be given during the months of April and May for adult chaperones.** During other months, adult chaperones will receive a hand stamp at admissions once your group has been paid for. Students will not receive wristbands or hand stamps but will be required to be with a stamped adult to re-enter the Zoo at any time.
- Review the following Zoo safety rules with your students.** Please note that groups not respecting Zoo rules will be immediately escorted from Zoo grounds by Zoo staff.
 - Students are to remain with chaperones at all times.
 - Respect the animals. This means being quiet and not attempting to touch, tease, feed, or disrupt normal animal behavior.
 - Walk; don't run, on designated paths only.
 - Leave no trace. Keep the Zoo looking the way you found it, or better! Use the appropriate recycling and trash receptacles.
 - Leave native animals, flowers and plants for other visitors to enjoy.
 - Be courteous and respectful to other visitors.
 - Remain seated at all times on any ride.
- Choose a meeting place.** Complete and distribute the included itinerary to each adult teacher/chaperone to help coordinate your visit. A separate list is included for bus drivers.
- Look for Zoo staff and volunteers throughout your day to provide educational highlights.** Add an education program to your visit for \$55, call 515-974-2550 for more details or to add an education program today (education programs must be scheduled at least 2 weeks in advance)

When you arrive.

- Know the time.** Blank Park Zoo is open every day, October-April: 10:00am—4:00pm and May-September: 9:00am—5:00pm.
- Due to the large volume of Field Trips during May, bus queues are managed by Zoo staff Monday through Friday.** Unless otherwise directed by Zoo staff, students will remain on the bus until a Zoo staff member greets you. The lead teacher (who is responsible for payment) should exit the bus and proceed to the “Member Admissions” door. The Zoo staff member will give students and remaining chaperones fun information about the zoo and go over zoo rules. We hope this will add to the educational value of the trip and eliminate some of the stress associated with the admissions process.
- Know the exact, separate count of students, teachers and chaperones.** The lead teacher will enter Zoo Admissions with your numbers and printed barcoded confirmation letter and pay for your group with one transaction. If your admission numbers have changed, adjustments will be made at this time. If you are paying via purchase order you must have a copy of your PO at check in.
- Unload buses and enter the Zoo quickly!** During May, Zoo staff will instruct which gate you are to enter. All other months please proceed through Zoo Admissions as quickly as possible. Please note that buses are not allowed to park in the East and West Parking Lots. Once unloaded, buses must proceed to park in School Bus Parking in the gravel overflow lot.
- No outside food or beverages (except water) are allowed inside the Zoo.** Blank Park Zoo does not provide lunch storage. If you are eating your lunch at the Zoo, please leave your lunches on your bus until it is time to eat. Picnic areas are available between our East and West Parking Lots and overlooking the Bactrian camel exhibit.

When you depart.

- Buses may unload and load in the Bus Loading Zone.** Buses are not allowed to park in the East and West Parking Lots. Once unloaded buses must proceed to park in School Bus Parking in the gravel overflow lot. When your group is ready to leave, have your school bus meet you at the Bus Loading Zone.
- Ensure everyone is accounted for!**

To cancel or reschedule.

- Please call 515-974-2550 or email education@blankparkzoo.org.** We will work with you to find another date or cancel your field trip.

Field Trip Guide

Complete and distribute to all teachers and chaperones prior to entering the Zoo.

IOWA'S WILDEST ADVENTURE

Date of Field Trip: _____

Names of students in your chaperoned group (no more than ten):

- | | |
|----------|-----------|
